**Volunteers** are vital to Trailside Museums and Zoo. Volunteers generously contribute their talents and valuable time. Volunteers gain satisfaction in contributing to the care and improvement of Trailside's landscape and facilities. Large volunteer groups are divided into smaller groups.

Volunteers will be working outdoors. They need to dress in outdoor work clothes that can get dirty and snagged. They should dress in layers to protect themselves from thorns & poison ivy, sun, cold, insects & ticks, etc. Volunteers need to wear sneakers or hiking/work boots that can get dirty & handle rough conditions. Volunteers should bring a filled water bottle, snacks and lunch, work gloves & insect repellent.

Please Note: All volunteers will need to complete the NYS Parks Volunteer Service Agreement prior to beginning volunteer work.
